Explanation of room number locations:

The rooms of Senators and Representatives are divided into two areas: offices located in the Capitol building, and offices located underground in what is called the "Extension."

Offices in the Capitol building: The first letter indicates the floor of the Capitol (G is for Ground; 1 is for 1st floor; 2 for 2nd floor, etc.) Offices in the Capitol are divided into four quadrants (N, S, E and W) and the second letter indicates the quadrant. The third letter is the room number. Therefore, Senator Carona is located in 4E.2, which is the 4th floor, East quadrant, and room 2.

Offices in the Extension: The first letter indicates that the office is in the Extension (E). The second number indicates the floor (1st floor or 2nd floor). The period separates the location from the room number. Therefore, Senator Birdwell's office is located at E1.708 is located in the Extension, 1st floor and room 708.

All phone and fax numbers listed are for area code 512.
